Maxima 920 retro Cabin

Classic appearance in a modern design. That's the Maxima 920 retro Cabin! A combination of functionality and comfort for extended stays on the water.

With a spacious cockpit providing comfortable seating for 8 to 10 people, this boat is perfect for enjoyable trips with friends and family. The versatility of the Maxima 920 retro Cabin is further emphasized by the option to navigate entirely open or under the canopy, allowing you to customize the atmosphere as desired.

For comfort and privacy, the boat is equipped with a separate toilet.

Well-thought-out details, such as clever storage spaces, contribute to the ease and functionality of the boat.

This retro weekend cruiser is ideal for comfortable day trips with 8 to 10 people and offers the possibility of overnight stays for 2 people.

The cabin features a seating area for 6 people that can be transformed into a bed for 2, providing the flexibility to choose between relaxed day trips and cozy nights on the water.

The sharp bow of the Maxima 920 retro Cabin ensures comfortable sailing characteristics, allowing you to sail smoothly through the water and enjoy effortless navigation.

With the Maxima 920 retro Cabin, you'll experience the perfect blend of style, comfort and functionality for every maritime adventure.

Easily put together your own boat in the boat configurator

Maximum enjoyment through smart onboard solutions.

50 years of boating experience and listening carefully to the customer's wishes has resulted in every Maxima having some advantages over the competition. Thoughtful construction, smart component sourcing and series construction ensures many advantages, without having to compromise on quality. This allows Maxima Boats to offer a high-quality product at a very competitive price.
